

The Saint-Hyacinthe Research and Development Centre Irradiator

---

## QUESTIONNAIRE FOR THE GENERAL PUBLIC

---

### YOUR FEEDBACK IS IMPORTANT

We want to know your questions and comments about our use of the irradiator.  
To share your feedback with us, you are invited to complete the questionnaire below and send it to us at:  
[aafc.programmeindustriel-industrialprogram.aac@agr.gc.ca](mailto:aafc.programmeindustriel-industrialprogram.aac@agr.gc.ca)

What would you like to know about the use of the irradiator at the research center?

What is your perception of the use of irradiation as a food preservation process?

Are you familiar with the Radura ionization symbol that must be placed on an irradiated food?  
[Frequently asked questions regarding food irradiation](#)

Is there any other information about our use of the irradiator you would like to know?
