1. Alberta provincial dairy license processors only include establishments that receive raw milk.
2. Manitoba, New-Brunswick and Prince Edward Island are the only provinces that don't require a provincial license if they have a federal license.
3. Due to a methodology change, numbers of the years 2020 and prior aren't comparable with subsequent years.
4. <sup>1</sup> Nova Scotia 2023 data based off of 2022 data
